“The institution’s accrediting agency has allowed flexibilities to the institution in the publication of its student outcome rates if the COVID-19 Pandemic has significantly impacted the ability of students to successfully graduate, sit for licensure and/or obtain employment. Any rates reported above that have been modified in accordance with these flexibilities have been adjusted in one of the following manners as indicated”

1, “Some students who previously enrolled at this institution and were unable to successfully graduate, sit for licensure and/or obtain employment attested that they were unable or unwilling to do so specifically due to the COVID-19 Pandemic. Student who made such attestations have been excluded from the calculation of this rate”

2, “As State and /or local restrictions with respect to the COVID-19 Pandemic have significantly impacted the ability of this institution’s students to sit for licensure and/or obtain employment, this rate has not been published”
